

Sturgis Hospital

Are you an adult under 65 without affordable health insurance?

Starting October 1, new insurance options were made available for you if you're an individual making less than \$46,000 a year. The new plans offer:

- Coverage for doctors visits, preventive services, medication, mental health/substance use, maternity care, hospital care, urgent care and more.
- Affordable prices. In many cases, **individuals will pay little to no premiums.**
- Incentives for healthy behaviors.

Want to learn more? Go to www.healthcare.gov and follow these simple steps:

Create an account

First you'll provide some basic information. Sign up for Marketplace emails now and we'll let you know as soon as you can create an account.

Apply

Starting October 1, 2013 you'll enter information about you and your family, including your income, household size, and more.
