FREE Sleep Health Assessments

Tuesdays from 9a.m. to noon and Thursdays from 2-5 p.m at the Sleep Disorders Center on the 2nd floor of Sturgis Hospital. No appointment is necessary. Screenings last about 1/2 hour and include questionnaires, pulse oximetry and blood pressure checks. Screenings are performed by Registered Sleep Technologists.

Also checking CPAP machine settings, mask and accessories.

(Need not be a patient of Sturgis Hospital.)
