

Safe Sleep Tips for You and Your Baby!

All parents and caregivers of infants birth to 1 year of age need to know how to put babies to sleep safely.

Join us and learn about:

- Sleep recommendations from the American Academy of Pediatrics
- What should be in a baby's crib
- Where baby should sleep

Date: March 4, 2014

Time: 6 pm - 7 pm

Location: 227 W. Main St. Centreville, MI 49032
