

# Sturgis Hospital

Quality Healthcare...Then, Now & Always

*as close to small town doctoring as you can get*

*Nothing but the best a small town has to offer but with the benefits of big city facilities:* (Sturgis Michigan is located only 2.5 hours from Chicago or Detroit) New surgery and obstetric facilities ■ Great new schools ■ Low housing costs and property taxes ■ Large Hispanic population ■ Wide open spaces ■ An active cultural community all its own.

**3 surgery rooms**
